

EVIDENCE ROOM

AP Agent OS — Professional

Tier 2 · US\$199 · Full 16-agent architecture and operating system

Evidence over hype. Governed agents. Measurable outcomes.

Not a prompt pack. Not an ERP. Not autonomous payments. An operating system toolkit for designing, governing, and measuring AP agents.

What Professional adds

Full 16-agent library, process discovery methodology, governance framework, control matrix, KPI dictionary with formulas, ROI model, shadow/pilot methodology, UAT and charter templates, responsibility progression gates.
