

EVIDENCE ROOM

AP Transformation Blueprint

Tier 4 · US\$1,500–3,000 · Productised service

Evidence over hype. Governed agents. Measurable outcomes.

Not a prompt pack. Not an ERP. Not autonomous payments. An operating system toolkit for designing, governing, and measuring AP agents.

What you provide

Structured intake: volumes, systems, exception profile, controls posture, goals, constraints.

What you receive

- Current-state assessment
- AP AI maturity score
- Opportunity map
- Recommended agent architecture
- Prioritised use cases
- Operating model
- KPI baseline framework
- Controls framework
- Business case (scenario ranges)
- Transformation roadmap
- 90-day plan
- Executive presentation

Fulfilment

Repeatable, AI-assisted analyst workflow with human quality review. Not bespoke software. Not a promise of savings.

Disclaimer: No guaranteed savings, fraud detection, compliance certification, accounting accuracy, autonomous payment safety, or ROI. Payment authorisation remains human-controlled. Licence terms apply.
