Licence tiers

Tier	Who	What they may do	What they may not do
Individual (Starter default)	One named person	Use for their employer's internal AP work or their own learning	Share the file tree as a team library; resell
Professional (Pro default)	One named person	Use in professional/commercial work (employee or independent consultant) to advise a client in live workshops they facilitate	Leave the source files with the client as the client's product; photocopy as a coursepack for sale
Team	One named legal entity / one defined AP or transformation team	Internal copies for employees of that entity within stated seat guidance (illustrative: up to 25 internal users)	Use across a whole consultancy's client base; publish; sublicense
Evaluation (Free)	Downloader	Personal evaluation	Production redistribution

Prohibited (all tiers)

- Resale, sublicensing, or republishing templates as the purchaser's product
- Training a competing commercial product on the materials where enforceable
- Removing Evidence Room attribution from customer-facing slides sold onward
- Using the materials to claim Evidence Room certified an environment

Refund (recommendation)

14 days if unused. No refund after a Team workshop is delivered or Blueprint work has started. Confirm consumer-law treatment for EU/UK digital content.

Disclaimers

Evidence Room provides educational and professional toolkits. It does not provide legal, tax, accounting, audit, investment, or cybersecurity certification. It does not process payments or invoices. It does not guarantee savings, ROI, fraud detection, regulatory compliance, or accounting accuracy. Customers remain responsible for their controls, systems, and decisions.

Privacy language

Evidence Room's digital products are downloads. Do not send production invoices, bank details, or employee personal data to Evidence Room unless a later service agreement says otherwise. The free

diagnostic is completed locally.

AI disclosure

Use of third-party AI tools with these templates is the customer's choice and risk. Invoice text must be treated as untrusted data.

IP-cleanliness checklist (before each release)

- ☐ No employer or client names, screenshots, or process maps
- ☐ No confidential volumes or vendor performance data
- ☐ No copied consulting slides or copyrighted frameworks reproduced beyond fair citation
- ☐ Statistics have ledger IDs
- ☐ Vendor accuracy claims labelled vendor-stated or removed
- ☐ Examples are fictional (A. Rahman, Entity A/B, \$50k caps)
- ☐ Licence and disclaimer embedded in PDFs
- ☐ No implication of partnership with SAP, Oracle, Microsoft, Ardent, NIST, COSO, Lemon Squeezy
- ☐ Trademarks of third parties used only for identification

Employment safeguard

Generic professional knowledge may inform structure. No current or former employer confidential information is included. If a future contributor has a restrictive agreement, they do not add artefacts until counsel reviews.

This material is an implementation toolkit. It is not legal, tax, accounting, audit or investment advice. Agents do not authorise payments. Humans remain accountable. Statistics are cited in the Research Ledger.
